TERMS AND CONDITIONS

TERMS:

All orders must be approved by our Credit Department. 2% - 15th following month or net up to the 30th of following month.

RETURNS:

No goods may be returned without an authorization number from our office. Special items made to order or goods kept in inventory for over a year cannot be returned for credit. Merchandise which we keep in inventory may be returned for credit provided they are in good condition. Fee of 15% for restocking plus transportation charges will apply. Displays cannot be returned.

DAMAGED GOODS:

Claims for damaged goods must be filled with the carrier upon receipt.

Prices subject to change without notice --- Price list replaces June 1st, 2015 list

BALUSTRADE

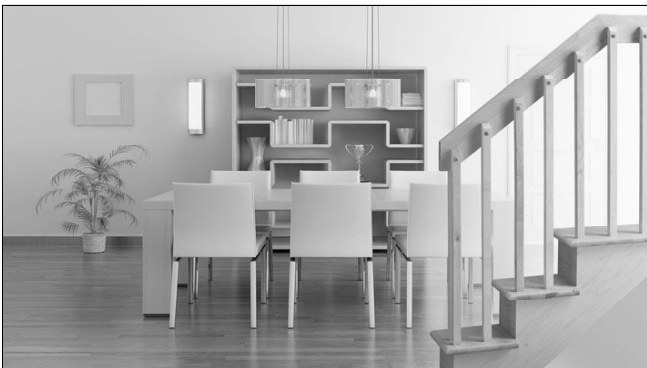

A stairway may be more than just useful, it can bring warmth to your home and even be an extension of your personality. Enhance any interior with a magnificent staircase, transform it into a master component of your décor.

BARN DOORS & RAIL SYSTEMS

Change the focal point of your room in an instant. Easy to do in a small length of time, the rail and door systems will bring style to any existing opening within your home.

The two available sizes will cover all conventional door widths and heights.

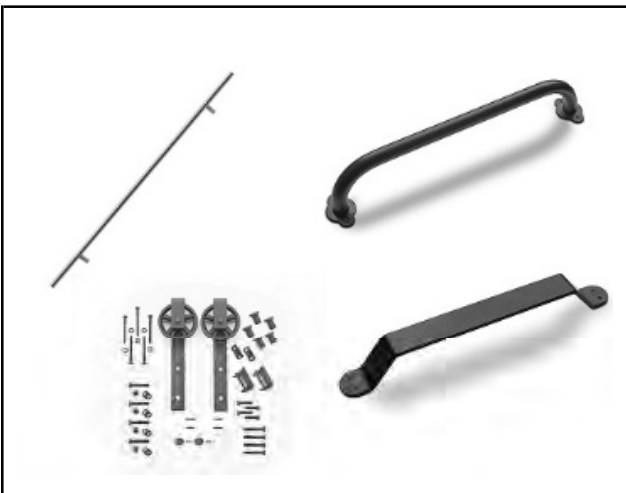

Equipped with an efficient railing system, these doors operate with little effort. Combine doors to create an entrance of castle-like beauty.

CLOSET DOORS

In the quick and easy, high impact esthetic changes, mirror doors reign at the top. Easy to measure and install, these types of doors have been among the favorites for many years.

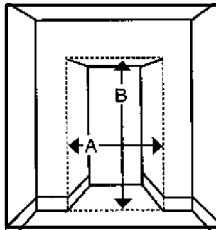

Colonial Elegance has given them a new life with new fabric and material combinations with an actual styles that fit today's life. Wether it be in Wall-to-wall versions to create a room division in an existing area, a mural version to cover an existing opening or to enhance your closets, mirror doors are a must in your home.

ORDERING

Steps to make your purchase easier

1. Measure A & B (finished opening)
2. Select your door model
3. Select your Frame and Insert

For more precision, take measure A & B at 2 different locations. Use only the smallest measurement of each.

CUSTOM SIZE

Your finished opening does not match one of these dimensions?
Call our customer service for a CUSTOM SIZE DOOR manufactured to your specifications

Sliding Doors	
Standard Width	Standard Height
36", 48", 60", 72", 96", 108", 120", 144", 192"	80 1/2" (fits openings 79 3/4" - 81 1/2") 96" (fits openings 95 1/4" - 97")

Bifold Doors	
Standard Width	Standard Height
